TESTIMONIALS

“I attended many camps directed by ECBSA. I found them all to be fun, informative and an overall great learning experience. I still utilize many of the concepts I discovered at those camps.”

“My son has attended many of these camps in the past. I would recommend them to any parent regardless of his/her child’s age.”

~ **Joe Mascaro**

Parent (Old Forge, PA)

“I really felt that I was able to improve my skills. It wasn’t so much about the three or four days of work as much as it was taking the lessons I learned at camp and applying that information to improve my ability over the course of months of practice.”
